**Updated
programme**

**Gain key market
knowledge and meet
colleagues, suppliers
and customers**

The Congress, inaugurated in 1990 and held every two years, has developed into a renowned platform for aluminium recycling. The OEA as organiser of the Congress is guarantee for expert knowledge and a professional organisation of the event. Selected experts guarantee that the quality of the presentations will do justice to the high standard of the Congress.

Who should attend

- Refiners and Remelters (secondary smelters)
- Scrap processors and merchants
- Consumers of recycled aluminium
- Parliamentarians and authorities
- National and international associations

Venue

The **Hilton Vienna Hotel**, Vienna's premier conference centre, is situated adjacent to the popular "Stadtspark" just a few walking minutes from the city centre.

A large number of rooms has been reserved for delegates at preferential rates. They can be booked directly at the hotel by using the following link:

http://www.hilton.com/en/hi/groups/personalized/V/VIEHITW-GOEAA-20110220/index.ihtml?WT.mc_id=POG

Approach from the airport

The City Airport Train (CAT) takes you in 16 minutes nonstop from the airport to the "Wien-Mitte" railway station (directly in front of the Hilton Vienna). Tickets can be bought and printed out online under www.cityairporttrain.com or at the ticket machines at the airport.

Parking Provisions

The Hilton Vienna has got a parking garage with 300 parking places.

Registration Fees

OEA members: **865 €**

Non-members: **1,090 €**

Ask for special company rates (3 and more participants)

The registration fee includes attendance to all sessions, refreshments, dinner on the first and lunch on the second conference day as well as conference proceedings. The conference fee does not include hotel accommodation.

How to register

Fax: +49 (0) 211 4796 447

E-Mail: esser@oea-alurecycling.org

Online: www.oea-alurecycling.org
by using the registration form
(attached or online)

Sponsorship and Exhibition

Today face-to-face communication is one of the most important instruments for active marketing. At the Congress you have the opportunity to present your company as sponsor or exhibitor. In that way we offer you an ideal platform to raise your company's profile through targeted branding. For further information please contact Ms Ilona Esser, Phone: +49 211 4796 441 or e-mail esser@oea-alurecycling.org
